

el hotel

A modern hotel lobby with a central reception desk made of light-colored stone. A woman in a white dress stands with a white suitcase, talking to a man at the desk. Large windows in the background show an outdoor terrace with umbrellas and a fountain. Contemporary art, including a large abstract sculpture and a circular light fixture, is displayed on the walls.

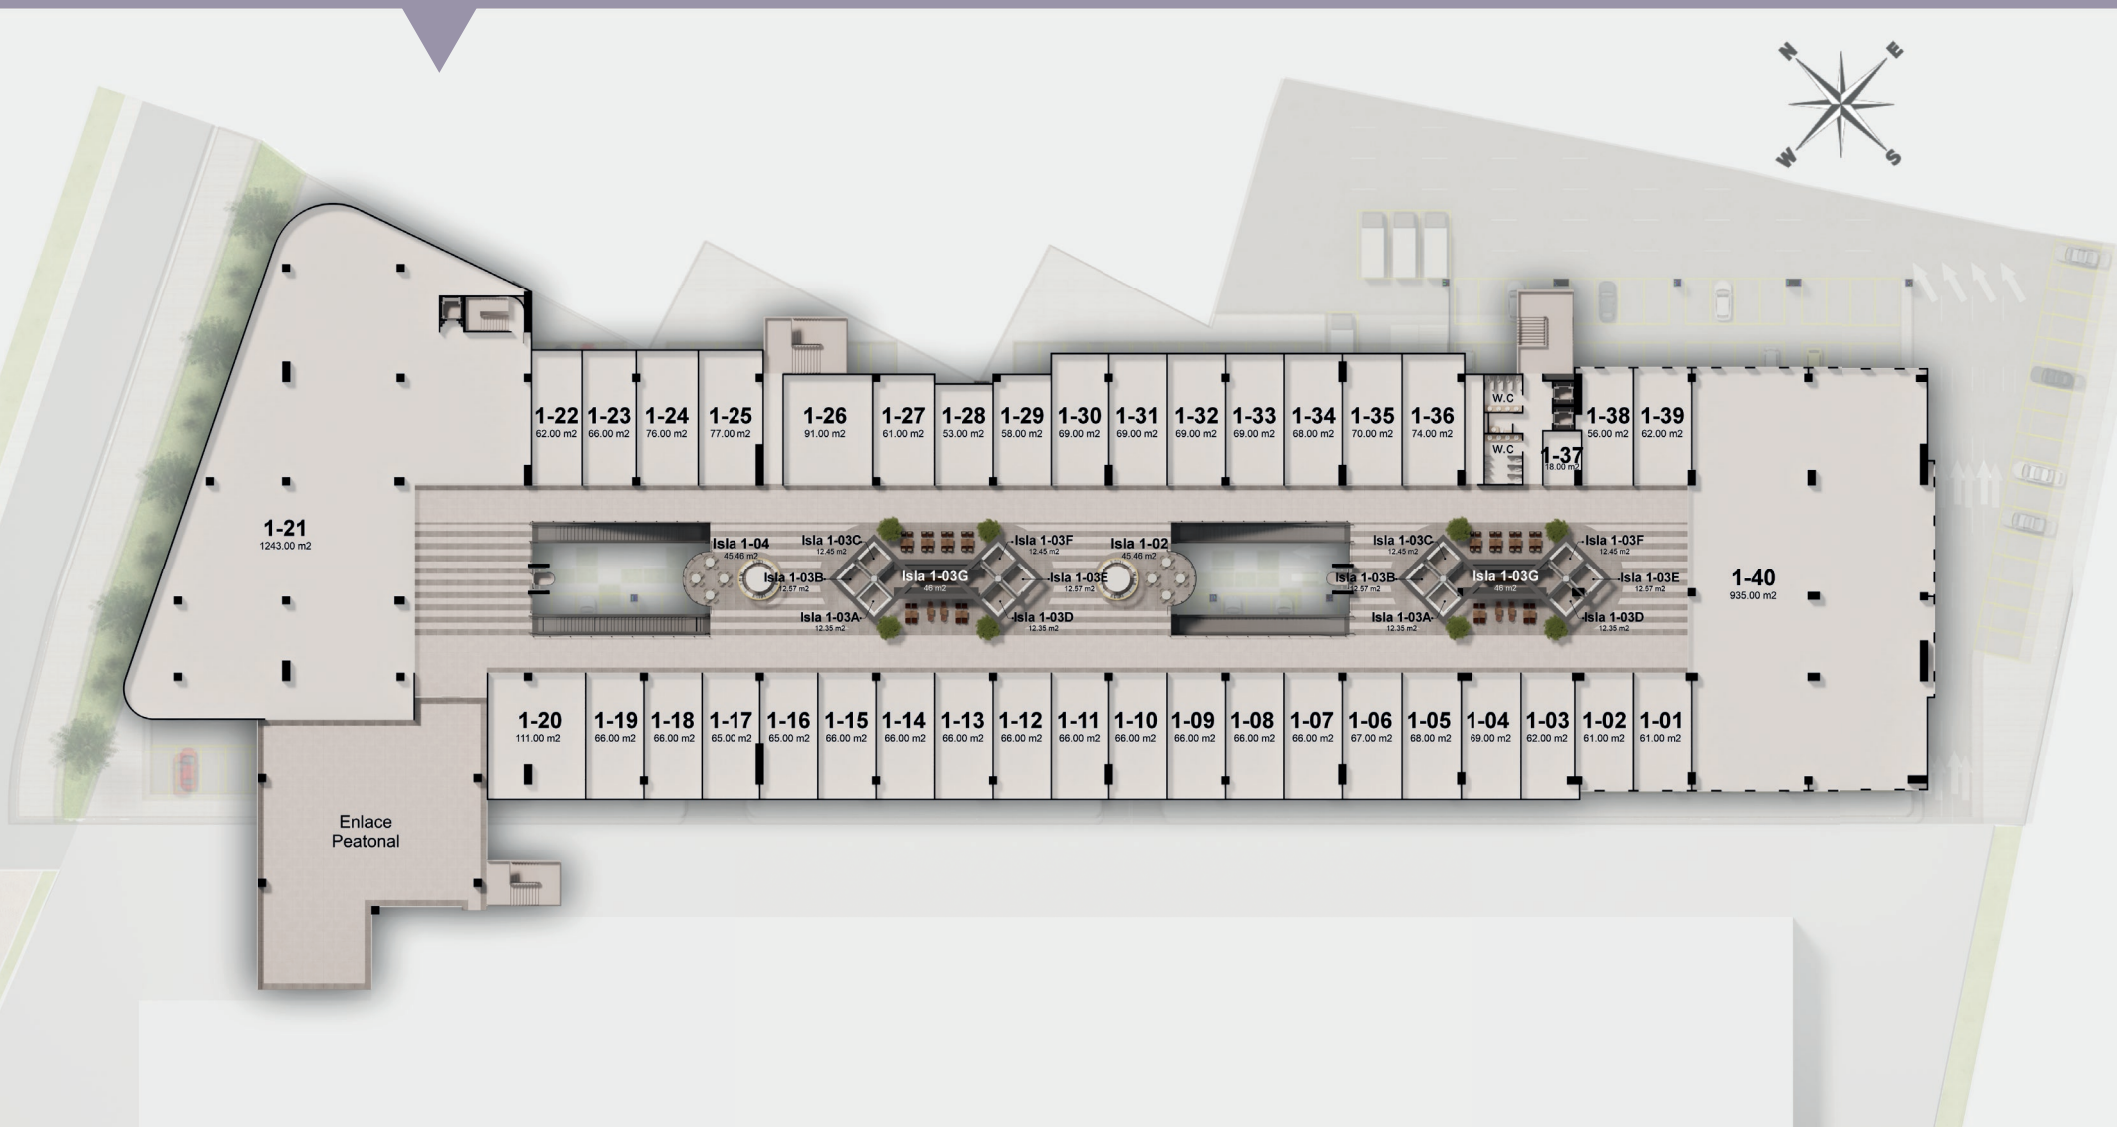

La Estación Centro Comercial
crece para convertirse en el nuevo
ícono de Ibagué, con más marcas,
gastronomía, hotel y experiencias
en un solo lugar.
